### **Trademarks**

Blacksands® and certain other marks are registered trademarks of Blacksands, Inc., in the U.S. and other jurisdictions, and other Blacksands names herein may also be registered and/or common law trademarks of Blacksands. All other product or company names may be trademarks of their respective owners. Performance and other metrics contained herein were attained in internal lab tests under ideal conditions, and actual performance and other results may vary. Network variables, different network environments and other conditions may affect performance results. Nothing herein represents any binding commitment by Blacksands, and Blacksands disclaims all warranties, whether expressed or implied, except to the extent Blacksands enters a binding written contract, signed by Blacksands authorized executive with a purchaser that expressly warrants that the identified product will perform according to certain expressly-identified performance metrics and, in such event, only the specific performance metrics expressly identified in such binding written contract shall be binding on Blacksands. For absolute clarity, any such warranty will be limited to performance in the same ideal conditions as in Blacksands internal lab tests. In no event does Blacksands make any commitment related to future deliverables, features or development, and circumstances may change such that any forward-looking statements herein are not accurate. Blacksands disclaims in full any covenants, representations, and guarantees pursuant hereto, whether express or implied. Blacksands reserves the right to change, modify, transfer, or otherwise revise this publication without notice, and the most current version of the publication shall be applicable.

Please report errors or omissions in this or any Blacksands technical document to [techdoc@blacksandsinc.com](mailto:techdoc@blacksandsinc.com).

Step	Description	Details	Links
